**SUB : Work Order for Supply of Materials, Installation, Testing, Commissioning and Conversion of the Domestic Piped Natural Gas (PNG) connection for Gandhinagar City Gas Distribution project.**

**REF : Our Tender GSPC/PNG/2002/001**

Dear Sir,

This has reference to the subject matter as mentioned above. We are pleased to place Work Order for turnkey installation of Domestic / Commercial Plumbing Connections for our **Gandhinagar City Gas Distribution Project** as per the terms & conditions specified in the tender document and subsequent discussions / correspondence we had till date as referred above.

The major terms & conditions of the work shall be as follows;

### 1. **Scope of Work**

The broad scope of work for the CONTRACTOR shall be follows -

Laying of 5 Bar/110mbar Medium pressure PE 100 MDPE orange service Pipeline with proper road reinstatement (wherever required) from nearest main MDPE Pipeline network up to the burner tip of the appliance of Domestic / Commercial customer. This includes trenching, hot tapping (with electrofusion saddle), electro fusion welding, pipe laying, back filling & restoration, GI Installation, Installation of Meter / Regulator / Isolation valve / rubber tube / Gas tap / other allied accessories, testing, nitrogen purging, commissioning and conversion of Domestic / Commercial PNG connection and, submission of as built drawing (Plotting service line in Main network drawing) for PE pipeline and Isometric drawing (Meter Job Card) of Domestic Installations duly accepted by OWNER / OWNER's representative.

Permanent reinstatement of trenches excavated by the contractor as a part of work done, wherever required, to the satisfaction of OWNER / OWNER's representative / concerned authorities having jurisdiction.

  
J.H. Navsaran

Co-ordinating & obtaining permission for excavation, boring, crossing etc. from various authorities / agencies having jurisdiction. The client shall provide principle approval.

Provision & Maintenance of proper stores.

Maintaining the Domestic / Commercial PNG Connection till three months from the date of conversion.

Testing and nitrogen purging of PNG Installation. Arrangement of nitrogen cylinder shall be in the scope of contractor.

Gas Meters and Regulator for Domestic/Commercial connections shall be supplied by GSPC Gas Co. Ltd.

## 2. Detail of Project

The proposed City Gas Distribution project would supply gas for Domestic and Commercial applications to the following potential customers:

- Gandhinagar City, Gujarat State.

## 3 Work Completion period

The time schedule for commencement of work is from the date of issue of this work order. Completion of work is based on customer built up and the target for the same shall be decided from time to time by GSPC Gas. The time of completion as mentioned above is for the total scope of work as mentioned in tender Document and includes the mobilization period also.

## 4 Period of Contract

This Work order shall be in force up to 31<sup>st</sup> March 2010.

## 6 Contract Value

6.1 Total work order value is **Rs. 99,98,200/-** (Rs. Ninety Nine Lacs Ninety Eight Thousand Two Hundred Only). Unit rate for one Domestic PNG connection shall be Rs. 3,833/- (Rs. Three Thousand eight Hundred Thirty Three Only) as per details provided in the Schedule of Rates attached as **Annexure-1** to this work order.

6.2 The above mentioned Work Order Value is based on unit rate & payment shall be released based on actual quantum of work. Break-up of above Work Order value is provided in the Schedule of Rates attached as **Annexure-1** to this work order.

6.3 Work Order value mentioned in clause 6.1 above is excluding Service tax & Sales tax as applicable but inclusive of all direct / indirect costs, expenses, insurance, liabilities of every description including all kinds of risks associated to complete the work. GSPC Gas shall not be liable to pay; any incidental or other cost incurred by the Contractor to complete the work, over and above Work Order value as defined. All payments under this contract shall be subject to income tax deduction i.e. Tax Deducted at Source (TDS) as may be applicable under the prevailing statute at the time of payment or its being due to the 'Contractor'.

6.4 Rates mentioned in Annexure - 1 should remain firm till period of this Work Order.

6.5 Rates for Commercial customers shall be based on actual cost basis. The quotation of all commercial customers shall be reviewed and approved by GSPC Gas prior to commencement of work.
